

Institute for Nonprofit News (INN) Statement

SJV Water retains full authority over editorial content to protect the best journalistic and business interests of our organization. We maintain a firewall between news and coverage decisions and sources of all revenue. Acceptance of financial support does not constitute implied or actual endorsement of donors or their products, services or opinions.

We accept gifts, grants and sponsorships from individuals and organizations for the general support of our activities, but our news judgements are made independently and not on the basis of donor support.

SJV Water also may consider donations to support the coverage of particular topics but our organization maintains editorial control of the coverage. We will cede no right of review or influence of editorial content, nor of unauthorized distribution of editorial content. SJV Water will make public all donors who give a total of \$5,000 or more.
