Re: 2022 Improvement District No.4 High Flow Friant-Kern Canal Water Transfer

Dear Mr. Gilkey:

The Kern County Water Agency's (Agency) Improvement District No. 4 (ID4) is offering to transfer banked Friant-Kern Canal Section 215 and Friant-Kern Canal Flood water surplus to ID4's needs in 2022 subject to the following terms and conditions:

1. ID4 will transfer up to 1,219 acre-feet (af) of Friant-Kern Canal Section 215 and/or Friant-Kern Canal Flood water to Berrenda Mesa Water District (Berrenda Mesa) at a price of \$1,500/af.
2. ID4's delivery of water is subject to its available recovery capacity in the Kern Water Bank (KWB).
3. The point of delivery is the Tupman Turnout of the California Aqueduct.
4. All payments shall be due 45 days after the date of the Agency's invoice. Late payments shall be subject to interest charges at the rate of 1 percent per month on the unpaid balance from the due date until the unpaid balance is paid off.
5. Berrenda Mesa will hold ID4 and the Agency harmless for any and all liability resulting from delivery of water or use of KWB recovery facilities under this Agreement.

If the above terms are acceptable, please sign, date and return this letter to my attention at the Agency.
